

**February 2<sup>nd</sup>, 5pm - 6.30pm.**

**Main agenda of meeting:**

- understanding of current provisions within education for students with ADHD, with brief presentations from guest speakers

**Guest key speakers:**

Professor Barry Carpenter OBE, Chair of Education Oxford Brookes University, Consultant Advisor to the Department of Education & OFSTED, Patron of ADHD Foundation Neurodiversity Charity.  
Presentation on the Recovery Curriculum disseminated to schools in response to Covid developments and the preparations to support schools with the impact on children's mental health – especially neurodiverse learners with ADHD and Autism.

Nick Whittaker, OFSTED HMI and author of OFSTED new framework to improve educational outcomes for children with neurodevelopmental conditions such as ADHD, Autism, Dyslexia, and Dyspraxia.

Dr. Diane Wass, MD of JPA Health Public Relations, Trustee of ADHD Foundation Neurodiversity Charity, parent of a child with ADHD & Autism.  
Presentation on her personal experience of parents navigating the Education Health Care Plan (EHCP) process.

We will be hearing from some of the Young Ambassadors from the ADHD Foundation Neurodiverse Charity, to share their stories and views of education during their time in school.
